Liz & Cynthia - It looks like we won't be having an ARSG meeting in March but I think we should still keep our meeting with the Silverton Town Council scheduled for Monday, March 23rd. Anything else that we can do while we are in Silverton – like on Tuesday AM – like meet with the town planner or Bev Rich? I would really like to touch base with Bev Rich.

If we can do a couple of things on Tuesday AM then we should change our return flight to Tuesday afternoon instead of Wednesday AM. Let me know what you think?

Subject: Next ARSG Meeting

Dear Stakeholders – We are not planning on a meeting in March, so the next meeting will be the fourth Tuesday of April, the 28th. There are several reports that should be ready to discuss at the April meeting, so we anticipate having a long session with a lot to digest. Don't know yet if we will meet in the afternoon or evening, or both.

Also, attached is the response from Sunnyside Gold to the letter sent to them by EPA, BLM, and CDPHE.

Finally getting some substantial snow in the mountains. Hopefully it will keep going through March.
